

# DEALFLOW DISCOVERY DAY NUCLEAR ENERGY

Company presentations and discussion of investment activity in the nuclear sector

May 22, 2025

Jay Suites  
515 Madison Avenue  
New York, NY 10022

DealFlow's Discovery Day on Nuclear Energy provides a forum for uncovering new investment opportunities and exchanging ideas with industry stakeholders including investors, utilities, site developers, technology providers, and government entities. Attendance is free for qualified investors and analysts.

This event features 5 to 10 presentations given by companies in the nuclear sector and two roundtable discussions with industry thought leaders.

## Participate at the DealFlow Discovery Day: NUCLEAR ENERGY

- 20-minute speaking opportunity to the general session
- Free conference pass for you and one guest
- Company listing on the event website
- Investment tear sheet providing background on your company
- Space available for one-on-one meetings
- Company marketing materials included on event media rack
- List of all participating investors and analysts
- No cost to participate

DealFlow Discovery Days offer a time-efficient networking format to dive deep into specific investment themes. Our programs feature industry thought leaders in a midtown setting, making it easy to join the action when it's convenient.

*If you're new to DealFlow Events, just ask around. Chances are good that your advisors and investors already know us.*
